Blair Castle Woodland Lodges are a new development of five Scandinavian style lodges in the historic grounds of Blair Castle. The lodges sit conveniently close to the amenities of Blair Castle Caravan Park whilst remaining nestled in their own tranquil wooded area.

There are five Woodland Lodges in total – three 2 bedroom lodges and two 3 bedroom lodges.

The two bedroom lodges sleep up to four guests and have one bedroom with a double bed and a second bedroom with two single beds. The three bedroom lodges sleep up to six guests and have one bedroom with a double bed and two bedrooms with 2 singles in each.

The lodges are built to a very high specification with double-glazing, increased insulation and central heating to make them attractive holiday accommodation all year round. Each lodge also has its own decking area complete with outdoor furniture. The lodges are fully-equipped with modern conveniences including TVs with access to freesat, DVD player, fridge freezer, valuables safe and full cooking facilities. Bedding, pillows and towels are all provided.

You will be given free access to Blair Castle and gardens and there are many miles of way marked trails on the estate for you to walk and cycle around.

At different times throughout the year, there is a wide variety of estate activities to choose from, including Family Fun Days and Discover Atholl Estates days at the castle, tractor rides, land rover tours, pony trekking and ranger led walks.
